

Clinician Name: Thomas Tipton
Patient Name: Andy Coventry
Case No. 1027

Date:
File:

****Example****

"0.5 mm from stage 4 to 8" means...

Reduce interproximal contact by 0.5mm *in total* during aligners 4 thru 8. You may also make reductions at any time prior to stage 4 as long as adequate access is present.

For further information: visit www.invisalign.com or call 1-888-82ALIGN
